## 應用型學科

我們是澳門一所公立高等院校，提供多學科、應用型為主導的學位課程。我們辦學歷史悠久，過去數十年在語言翻譯、藝術、資訊科技、健康科學、工商管理、公共行政、體育教育等專業範疇培育眾多專才。今天，很多畢業生已成為各行各業舉足輕重的人才，找到自己的事業路向，回饋社會。

## 科研教學

我們與世界知名學府及機構合辦多所研究中心、聯合實驗室、博士後基地等。研究成果推動學院科研發展、提升教學質量。頂尖學府教研人員經常來澳指導，學生有機會到實驗室甚至海外學府進行培訓實習，踏上研究之路。我們更成功獲得國家教育部批准成立“機器翻譯暨人工智能應用技術教育部工程研究中心”，成為港澳地區首個教育部工程研究中心，充分顯示國家教育部對我們的高度肯定。

## 國際認可

我們是亞洲首間通過英國高等教育質量保證局 (QAA) 院校級別學術評鑑，全國唯一兩度獲亞太地區教育質量保障組織 (APQN) 頒發“亞太教育質量獎”，以及澳門首間及唯一榮獲國家教育部頒發“國家級教學成果獎”的高等院校，教學質量與世界一流學府看齊，部分課程的畢業生更可申請全球認可的專業人員資格。

### 獲全球知名的學術或專業機構認證的課程全澳最多

#### 電腦學

通過英國工程技術學會 (IET) 學術評鑑，獲英國工程委員會 (Engineering Council) 認可，畢業生具國際認可工程師專業資格所要求的學歷。

#### 會計學

獲英國特許公認會計師公會 (ACCA) 及澳洲註冊會計師公會 (CPA Australia) 專業認證，畢業生獲豁免ACCA其中九科考試及CPA全部六科基本考試。通過香港學術及職業資歷評審局 (HKCAAVQ) 學術評審。

## 學生為本

教育設計以學生為中心，促進師生交流，學術支援及設施滿足學習需要。我們十分關注學生表現及滿意度，鼓勵學生共同參與課程及學院優化工作，共創理想大學生活。

## 業界實習

我們致力擴大業界網絡，讓學生為將來的工作做好充分的準備，我們提供超過200多間機構的實習機會，學生有機會到不同國家/地區汲取業界的最新知識與經驗，加強就業競爭力。

## 海外交流

我們積極與全球知名院校及專業機構開展合作，部分課程已經與世界知名學府的課程接軌。部分課程提供外地交流機會，學生有機會前往不同國家/地區進行科研或修習。

## 學生獎學金

我們為優秀新生及在學學生提供數十項獎學金，包括提供免學費、住宿費及每月獲發生活津貼的獎學金項目。每年獲頒發獎學金學生超過600人次，獲獎比例高。

## PRACTICAL PROGRAMMES

We are a public tertiary institution in Macao. We offer degree programmes, which are all practically oriented, in an extensive range of academic areas. We take pride in our long history of educational provision, we have been nurturing professionals who now excel in different fields, many of our graduates now take up key positions in public or private organisations, making significant contributions to their local communities.

## RESEARCH FACILITIES

We have jointly established numerous research centres, laboratories, and a post-doctoral innovation practice base together with various universities and multinational corporations. These collaborations have yielded rich outputs which in turn have enhanced our teaching quality. We often invite distinguished scholars from prestigious universities to host seminars at MPI. Students have opportunities to research with us or at overseas universities to kickstart a career in science and research. We have received approval from the Ministry of Education of the PRC for establishing “The Engineering Research Centre of Applied Technology on Machine Translation and Artificial Intelligence, Ministry of Education (CAI)”, which has become the first Ministry of Education Engineering Research Centre in Macao.

## INTERNATIONAL RECOGNITION

We are the first higher education institution in Asia to have had a successful institutional review by UK’s Quality Assurance Agency (QAA) for Higher Education; having won APQN Quality Awards issued by the Asia Pacific Quality Network twice; and is also the first and the sole higher education institution in Macao having won the state-level award “National Teaching Achievement Award” awarded by the Ministry of Education of the PRC. We are widely recognised by academic and professional organisations worldwide. Graduates of some of our programmes are eligible to apply for globally recognised professional qualifications.

**We have the most degree programmes internationally accredited or reviewed among our peers in Macao**

### COMPUTING

Students of the programme will have the academic qualifications required by the Institution of Engineering and Technology (IET) for the UK’s chartered engineers automatically upon successful graduation.
