[>> Programme List and Prospectus <<](#) (***New Programme:** Dual degree with the Copenhagen Business School offered by the Faculty of Business)
2. **English** is the medium of instruction; Chinese is NOT required for admission
3. **Guaranteed** internship opportunities
4. **Guaranteed** overseas study opportunities with 280+ exchange partners across 37 countries/regions
5. A diverse community of students coming from over 60 countries/regions, across programme levels
6. Campuses and student halls are located in the heart of the city, with **guaranteed** accommodation for first-year students

Application essentials

1. Application period: Sep 21, 2023 – Feb 6, 2024 (Early-round: Sep 21 – Nov 16, 2023; Main-round: Nov 17, 2023 – Feb 6, 2024).
2. After Feb 6, subject to the availability of seats, some programmes may accept late applications.
3. Application assessment, offer and scholarship issuances are conducted on a rolling basis. The earlier, the merrier.
4. Conditional offers with entry scholarship details (if any) will be issued.
5. Each applicant can apply for up to 2 schemes. Both choices will be considered equally.

Application materials

1. A **completed** online application and **settled** application fee (USD57/HKD450).
2. **Required** documents: ID document; 2021/22 and 2022/23 high school transcripts; Predicted grades (if applicable).
3. **Optional** documents (depends on individual programmes): Personal statement; recommendation letter; portfolio [Please check [HERE](#) for the requirements].
4. Students are encouraged to nominate at least one academic referee in their application.
5. Students can always access to their application portal to update informational after submitting the application.

Scholarship and financial aid

1. Academic and non-academic scholarships are available to cover full four years of tuition fee.
2. Students excel in both academic and non-academic fields may receive both awards.
3. Scholarship amount ranges from 50% to 140% of tuition fee (Tuition plus living allowance).
4. Special Talent Admissions & Recognition Scheme (STARS) for favorable admission consideration. Students should check a box in the STARS section in their admission application and provide relevant documents for assessment. Shortlisted students will be invited to a compulsory interview. (Application deadline for STARS: Jan 9, 2024)
5. **No separate application is required.**
6. After enrollment, **guaranteed** subsidy for international learning programmes is provided.
